PRESIDENT'S MESSAGE

First of all, I'd like to say hello and thank you for supporting me as your President for 2016-2017. Not sure what I should write in this message, but here goes.

In case you weren't at the May meeting, I want to fill you in a little bit. I'm a computer-holic. I receive my emails on my computer and my iPhone so I respond very quickly to any communications that I receive. If I don't respond within 30 minutes, I'm either in a class, or my phone is charging, or I may just be relaxing, but I will respond as quickly as possible.

At the May meeting, I announced that the webmaster has made changes to the website so that it reflects the correct name for the Guild. After making that announcement, several members came up to me and suggested that we may have a problem because of the Articles of Incorporation saying Capital City Quilt Guild. I found a copy of those Articles and the Guild was registered as Capitol City Quilt Guild, so we are not going to have any problems with the website and emails showing as www.capitolcityquiltguild.org.

I am very pleased that we are getting new members in the Guild. It is very important that we continue to grow our membership, and we need to bring in new, younger members. More importantly, we need to welcome those members and help them with their knowledge of the techniques for quilting. We also need to be friendly and helpful. I am asking all members to wear their name tags, and when you see a guest or a new member, please walk up to them, introduce yourself and welcome them to the Guild.

Back in the January-February newsletter, there was a questionnaire published. I have had quite a few people complete the questionnaire and give me some great feedback of what they'd like to see from the Guild. Some of those suggestions include: home machine quilting, various applique' methods, tool demos, block demos, more bargello, and encouraging people who are speaking to talk into the microphone as some people have problems hearing what is being said.

As the saying goes, my "door" is always open for anything you want to discuss, suggest, complain, or whatever—feel free to contact me at any time. I look forward to this year with my Guild.
